VALUE AND IMPACT OF SPIRITUAL CARE

**Overall Course Objective:**

**An analysis of spiritual care's impact within a clinical setting as delineated in five peer reviewed research articles which demonstrate how chaplains and palliative-care can be utilized in interdisciplinary clinical contexts. Particularly in understanding interfaith and cross cultural patient care needs, within cancer, heart and transplant patients.**

<b>Date</b>	Thursday August 9, 2018
<b>Time</b>	Noon – 1:00 PM
<b>Location</b>	ASLMC / Stiemke Auditorium
<b>Food</b>	Lunch will be provided for the first 125 participants
<b>Title of Lecture</b>	<b><i>The Value and Impact of Spiritual Care</i></b>
<b>Speaker Name, Title, Location</b>	<i>Dr. Martin Bazelak, Rev. Dr. Michelle Oberwise Lacock, Chaplain Helen Lococo, Chaplain Ben Shryock, Chaplain Fred Hang, Chaplain Tito Cevallos, Chaplain Jake Werkheiser</i>

**Objectives: At the end of this session, learners should be able to:**

1. Understand the role of chaplains and palliative care and how to utilize them in holistic patient and family care.
2. Recognize multi-cultural needs in patients and families.
3. Analyze peer-reviewed research to inform and enhance clinical practices.
4. Demonstrate the value in an interdisciplinary approach to aspects of medical care even outside of direct patient care.
